Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport).

Kumily lies on the border between Kerala and Tamil Nadu. It is found that utmost police vigilance is required there round the clock to prevent smuggling of valuable forest produce and other essential commodities like rice, wheat, tapioca etc. across the border. The meagre strength of Kumily Police Out Post is found inadequate to cope with this important duties. The importance of the place, population of the area, scope for future development increase in crimes on account of lack of communication facilities etc., necessitate the opening of a new Police Station at Kumily by upgrading the Police Out Post there. Therefore, it has been decided to upgrade the Kumily outpost into a Police charging station by bifurcating the areas of jurisdiction of Vandanmede and Vandiperiyar Police Stations.

This notification is being issued with a view to achieve the above objective.

Explanatory Note

(This does not form part of the notification but is intended to indicate its general purport).

It is found that effective policing of the present area of jurisdict ion of the Police Station at Peermade, is difficult with only the Police Station there. Therefore, it has been decided to redefine the local areas of jurisdiction of Peermade Police Station by opening a new Police Station at Peruvanthanam which is found imperative in the interest o the public and administrative convenience.

This notification is being issued to achieve the above objective.
